

Dear Educators,

I'm excited about my upcoming visit to your school. I've put together a packet of information that will help us have a mutually successful visit.

In this packet, you'll find the following:

Tips for a Successful Author Visit- I have had the privilege to visit many classrooms and share my stories and through those visits, have gained some experience about what makes for a successful visit. These are simply suggestions I'm passing along to you.

Author Visit Schedule- Please have each classroom or group that I am visiting fill in their desired time slot for the day This should be completed and returned to me (Edenandherhappy@yahoo.com) at least one week prior to my visit.

Order Form- There is an order form attached. Please copy and send home with your students at least a week prior to my visit with a deadline of your choice. I will fill the orders the day of my visit and send a book/product home with each student for which an order was placed.

Coloring Pages- The activity page and coloring pages are here for you to copy and use any way you like.

School Visitor Information- Please make sure I am aware of any special parking instructions, school entrance and anything else that would be helpful for me to know.

Technology- I would like the opportunity to project my book on a screen. I am happy to send you my PDF prior to visit or I can bring a jump drive. Please let me know what would work best for you!

Don't hesitate to contact me prior to my visit with any questions.

Many thanks,

Tracy Schlepphorst
